

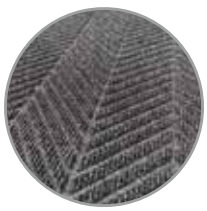
# Jett™ Scraper Matting

Anti-Slip | UV Resistant | Warranty

Featuring a bold tire-tread inspired surface pattern, the Jett™ entrance mat is designed to remove large dirt particles and debris effectively while maintaining excellent durability and slip resistance for high-traffic commercial entrances.

## Bold 3D Tire-Tread Pattern Removes Large Dirt & Debris



Raised Chevron Geometry for Strong Entrance Cleaning Performance

The raised chevron-style surface structure enhances scraping performance, helping remove large dirt particles, mud, and debris from shoe soles before entering the building.

## 3D Geometric Surface Improves Grip and Durability

The dimensional surface pattern improves traction while maintaining a durable structure suitable for demanding commercial environments.
