

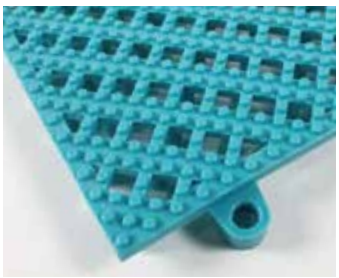
UltraBlock™2.0 Drainage & Anti-Slip Mats

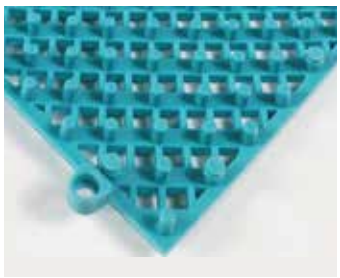
Modular anti-slip mat designed for wet areas such as bathrooms, swimming pools, and spa facilities.
The open drainage structure allows water to flow through quickly, while the flexible modular design enables easy installation and configuration for various layouts.

High-Raised Surface for Effective Anti-Slip & Drainage



The surface features raised anti-slip nodes that improve traction under wet conditions while also providing a gentle foot massage effect.

13 mm Height for Rapid Drainage

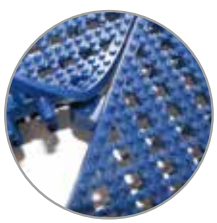


With a thickness of 13 mm, the open structure promotes fast water drainage, preventing water accumulation and keeping the walking surface dry and safe.

Test Reports & Certifications

Certified through multiple product tests to ensure safety, durability, and reliable performance in wet environments.

Modular Interlocking Design Strong and Flexible Installation



Made from medical-grade flexible PVC, the mat can be easily cut and assembled to fit various shapes and layouts, making it ideal for pools, spas, and irregular floor areas.

Technical Specification

Product Model	Ultrablock 2.0
Material	Medical-Grade PVC
Structure	Hollow Drainage Design; Modular Interlocking System
Dimensions	30 × 30 cm/piece (11.81" × 11.81") Approx. 12 pcs/m²
Accessory Dimensions	Edge Trim: 30 × 5.8 cm (11.81" × 2.28") Corner Piece: 5.8 × 5.8 cm (2.28" × 2.28")
Total Height	9 mm (0.35")
Total Weight	430 g/pc (0.95 lb/pc) Approx. 4480 g/m² (0.92 lb/ft²)
Environmental Standard	GB 18586-2012
Fire Resistance	GB 8624-2012: B1
Slip Resistance	DIN 51130:2014 R10
Accessories	Main Panel, Edge Trim, Corner Piece

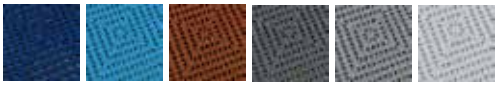
Cleaning & Maintenance

Daily Cleaning: Rinse with water or hose down to remove surface dirt.
Periodic Cleaning: Use a neutral (pH-7) cleaner and scrub if necessary to maintain hygiene.

Suitable Applications

Ideal for wet environments requiring drainage and anti-slip protection, such as swimming pools, spas, shower areas, locker rooms, and other wet commercial spaces.

Available Color



Nava blue | Sea blue | Dark brown | Ammonite | Gray | White
